RE: Participation and Support of the Family Promise of Gloucester County Benefit: "A Taste of South Jersey" Event on November 19, 2018

Family Promise of Gloucester County opened its doors in December, 2005 and began to offer hospitality and fellowship to homeless children and families in our region.

On Monday, November 19th, Family Promise is hosting their 11th Annual "A Taste of South Jersey" - an evening of fun and fine dining featuring a host of culinary delights prepared by some of the finest chefs in South Jersey. The event will be held at Adelphia Restaurant on Clements-Bridge Road in Deptford, NJ. The event will take place between 5:30 and 8:30 PM. 100% of the proceeds from this event will benefit Family Promise, underwriting the expenses of our Family Center, van, and full-time Director.

Please help us to make this program a success by being a participating chef at this event. You are welcome to provide a specialty food of your choosing and to bring advertisements and coupons for your restaurant. All participating restaurants will be given a full-page ad in our program book. In addition, participating restaurants will have the opportunity to share their cuisine with the over 300 guests we expect at this event.

Over the next few weeks, a representative of our committee will call and/or visit you to answer questions and gratefully accept your support. Please complete the information on the next page we will be in touch.
